Iowa Cultural Corridor Alliance

The Iowa Cultural Corridor Alliance (ICCA) is a partnership of cultural organizations throughout eleven counties in and around Iowa's Creative Corridor. The mission of ICCA is to promote the varied cultural activities of its partner organizations and to nurture a sustainable cultural community.

ICCA is the community resource for Arts, Culture and Entertainment, offering our members and the community advocacy-focused events, educational programming, professional development, and arts and culture awareness.

Mission

The Iowa Cultural Corridor Alliance strengthens the Eastern Iowa region by promoting the varied cultural activities of its partners and nurturing a sustainable cultural community.

Vision

The Iowa Cultural Corridor Alliance (ICCA) is a vital resource to the Eastern Iowa region. The corridor is recognized as a cultural hub, and ICCA is recognized as a model for cultural organizing. ICCA's primary purpose is to promote the cultural brand of the region and ensure that community members and visitors have ready access to relevant information about cultural opportunities. ICCA advocates for the value of the creative community, the development of partnerships with economic and community development agencies, and collaborations between cultural organizations.

Become a Friend of ICCA

ICCA does not actively fundraise. However, people and organizations who wish to support the mission and activities of ICCA may contribute to the organization's success by becoming a Friend of ICCA.

With a contribution to the Alliance, Friends support the development of a sustainable cultural community and the promotion of cultural opportunities in the Corridor. Friends of ICCA are not voting members of the organization.
